— A PROPOSAL FOR PASTAMANIA SRI LANKA

ALREADY STRONG.

Let's make it bigger.

WEBSITE + **PASTAMANIA CLUB APP**

NOVEMBER 2026

EAT PASTA. EARN FREE PASTA.

WHERE PASTAMANIA IS TODAY

YOU'RE ALREADY WINNING

FOOD PEOPLE COME BACK FOR

Guests return because the food is good. Local favourites like Jaffna Calamari set you apart.

MARKETING THAT WORKS

People already find you. FridayMania and your social posts keep the brand in front of them.

THREE BRANCHES IN COLOMBO

Havelock City Mall, Alfred House Gardens and One Galle Face, plus kids workshops and catering.

This plan doesn't change what works. **It adds more guests and more visits on top.**

— THE OPPORTUNITY

WHAT'S STILL LEFT ON THE TABLE

01

GUESTS WHO NEVER FIND YOU

They search or ask an AI assistant, see other places first, and pick someone else. You never know they existed.

→ THE WEBSITE WINS THEM

02

LOYALTY THAT'S NEVER REWARDED

Guests love the food, but nothing brings them back sooner, and you don't know who your regulars are.

→ THE APP KEEPS THEM

— WITHOUT A WEBSITE

WHAT YOU'RE LOSING TODAY

GUESTS WHO SEARCH AND DON'T FIND YOU

They search "best pasta in Colombo" or ask an AI assistant. If PastaMania's details aren't clear online, they choose someone else.

GUESTS WHO SEE THE WRONG DETAILS

We found different opening hours and phone numbers for the same branch online. A guest who sees "closed" or calls a dead number won't come.

THE FULL VALUE OF YOUR MARKETING

Campaigns send people to Instagram or delivery apps. There's no single home, and no way to see which campaign worked.

— THE FIX · THE WEBSITE

MORE GUESTS FIND YOU

1 FOUND ON GOOGLE AND AI

Built for **SEO** and **AEO**: your menu, branches, hours and FAQ, ready for Google, ChatGPT and other AI assistants to show.

2 ONE HOME FOR EVERY CAMPAIGN

Every post, poster and FridayMania offer points to one place with a link or QR code.

3 SEE WHAT WORKS

Each campaign gets its own link, so you can see which one brought guests in.

The PastaMania website, already built. No one can promise first place on Google. We make PastaMania ready to be chosen.

— WITHOUT THE APP

WHAT YOU'RE LOSING TODAY

LOYALTY THAT'S NEVER REWARDED

A guest's 10th visit gets the same as their 1st. Nothing stops a regular trying somewhere new.

YOUR CUSTOMERS' NAMES

You don't know who your regulars are, so you can't invite them back. Every offer starts from zero.

CUSTOMERS TO DELIVERY APPS

Uber Eats and PickMe keep the customer, and usually **a cut of every order**.

WORKSHOP SEATS

Parents have to call or message to book Dough Workz. Every empty seat is **LKR 3,000 lost**.

Every one of these is a guest, or money, **quietly walking out the door.**

— WORKING TOGETHER

ONE JOURNEY. TWO TOOLS.

THE WEBSITE BRINGS THEM IN

THE APP BRINGS THEM BACK, AGAIN AND AGAIN

Every guest the website brings in becomes **a member the app can bring back.**

— WHY IT PAYS

WHAT IT'S WORTH

LKR 3,700

One extra visit. About what a pasta and a drink cost on your current menu.

2–5%

The cost of rewards. All the free food is a small share of what members spend.

LKR 48,000

One full Dough Workz session. 16 children × LKR 3,000, and the parents eat too.

100%

Your customer list, owned by you. Not by a delivery app.

Rewards cost only 2–5% of member spending. **A small lift in visits covers that. The rest is growth.**

Based on current online menu prices (Carbonara LKR 2,290 + Italian Soda LKR 1,390) and the proposed rewards. Dine-in prices to confirm.
